Dear Canada Post Customer,

Due to renovations at the Belfountain Community Centre, it has become necessary to relocate the community mailboxes temporarily. The owner of the 17277 Old Main St. (Higher Ground Coffee Co), has agreed to accommodate the homeowners in this area by housing the mailboxes in front of their business until this work is done.

We apologize for any inconvenience this relocation may cause and will notify you at the earliest opportunity regarding any future changes to the site location.

If you have any questions, please do not hesitate to contact me at (905) 206-1247, extension 2027.

Yours sincerely,

Christopher Fearon
