

Belfountain Keeps Saying Protect our Unique Ecosystem! Help us by Making Your Voice Heard.

Belfountain is a unique and sensitive area on the Credit River watershed. It is within the Niagara Escarpment, a UNESCO World Biosphere Reserve, and part of the Greenbelt. It will be under tremendous pressure over the next five years facing:

- Manors of Belfountain (MOB) 67 lot subdivision development proposal at the south end of the hamlet
- Effluent discharge from the Sewage Treatment Plant in Erin
- The extension of the Erin Gravel Pit North of the Credit River in Belfountain,

Your voice needs to join ours to protect the water, wildlife, fish, birds, endangered and threatened species, wetlands, and watershed.

Please send your comments by either: i) filling out the back of this card and placing it in the box here or at Higher Ground Coffee shop or the Belfountain General Store or ii) email secretary@belfountain.ca

Help Us Preserve the Rural, Heritage and Environmental Integrity of the Hamlet of Belfountain and Environs.
